1<sup>st</sup> March 2017

Dear Parents and Carers,

## Fundraising

You are all aware of our campaign to raise £10,000 to support the school in purchasing various items of equipment for our children to use in their education. Unfortunately even these efforts do not meet our needs in the current financial climate, which as you may be aware has seen significant reductions in Educational funding.

There are a number of resources such as reading books, text books and electronic resources etc. that we wish to purchase much more of, like so many other schools, we still have more work to do and need further financial support.

We are therefore asking families for a £5.00 donation to school fund. We do not under estimate how hard this is for many of you, especially those with more than one child in the school or at other schools who are also asking for support.

If you are able to support this further fundraising effort, please give donations in an envelope marked 'donation' to the school office – any amount that you could provide will be gratefully received and put to very good use to support your child and other children within the school.

Thank you in anticipation.

Governors of Witton Middle School

Perseverance – Responsibility – Independence – Determination – Empathy
