Please see notes overleaf

- We do not require signed permission for children to stay to after school clubs, but will ensure that if a club is cancelled a notice will be shared with the class.
- If a club is cancelled on the day, we contact parents/carers for alternative arrangements. If we are unable to make contact, children must remain in school until the club end time for safeguarding purposes.
- Most clubs are free and run by teachers or qualified coaches.
- For every club you attend, you will receive a House Point (don't forget to bring your organiser).
- Always look at the sports boards around the school for updates of clubs and competitions coming up.
- To attend the before school club, you need to sign up with Mr Cocker(only 16 places available).
- Table Tennis has limited places. Please sign up with Mr Tudgay.
- Additional sports clubs may be run at lunchtime when children are preparing for an event or competition. Children will be notified of these as applicable.
