

CREATING OUR
FUTURE WORKFORCE

STEM AUTUMN CHALLENGE

Science, Technology, Engineering & Maths

CHELTENHAM SCIENCE
GROUP

**FAIRFIELD CENTRE AND
WARNDON LIBRARY,**

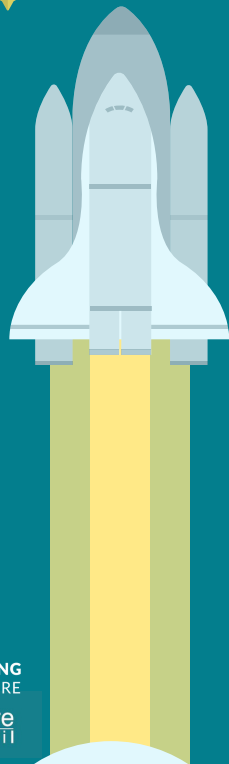

Carnforth Drive, Worcester WR4
9HG

**HALF TERM 29TH OCT - 2ND NOV |
10am - 4pm**

Offering young people and their
families the opportunity to be
inspired through Science!

 ADULT LEARNING
WORCESTERSHIRE

 worcestershire
county council

Come and have a go at the popular science exhibits!

Free for the whole family! No need to book,
just drop into any session.

Not to be missed!

Discover vertical wind tunnels, horizontal wind blowers, musical boomwhackers, a laser fiddle, bear speakers, lots of maths puzzles, lightning maker, gear wall, pendulums, augmented reality t-shirts, and a digital microscope.

At the Fairfield Centre and Warndon Library

Each day there will be a different activity or experiment for
you to have a go at!

**Monday - Slime - Throughout the day there will be the opportunity to use a
100% guaranteed recipe.**

**Tuesday - Rockets - If the weather is in our favour we will be able to make and
launch paper rockets, how far can we get them to go?**

**Wednesday - LEGO - Put your programming skills to the test using
LEGO Mindstorms Robotics.**

**Thursday - Human Body - Come and investigate how some
parts of the human body work.**

**Friday - Rollercoasters - Can you make a roller
coaster for a table tennis ball?
What will yours have in it?**
