

The new 'Friends of Witton Middle School'

PTA needs YOU! Can you help?

Witton Middle School seeks volunteers to form a brand new Parent-Teacher Association for family events and fundraising.

We welcome parents, carers, aunts, uncles and grandparents to help make school even better for all of our children. Can you spare a little time each term to contribute? However much or little time you can offer, we can find something to suit you. You can become a full committee member, helping to manage and make decisions, or just an 'ordinary' member and help out when it suits you. Everyone is welcome!

10 reasons to join the Friends of Witton Middle School

We make a difference: Help our whole school community to be the best it can be, by providing the resources and helping to create a great atmosphere.	Your child benefits: When parents get involved, research shows that children do better, academically and socially - plus they learn about making a contribution.	Have fun: We can accomplish a lot - there's serious business to be done at times -but we will do it with a smile and enjoy ourselves along the way!	We are welcoming: Everyone is welcome in our school. Work together with us to help achieve our goals - we could not be happier to have you!	Parent involvement is the most important thing: Getting involved is the best thing we can do to create a great school and further increase performance!
There's a lot to be done: These days, schools are asked to do more with less. Your help is needed more than ever to fill the gaps. We need YOU!	We pledge to honour your time constraints: An hour or two each term is enough to make a difference. We won't push you to do more than you are able to, and will share the tasks.	We can match you to your skills and interests: Whether you prefer a hands on role with children or a background job, we can help you to find things that suit you.	Meet nice people who share your concerns: We have a common bond bringing us together - we want the best possible educational experience for the children.	It's rewarding: Seeing the children happy, making school a little more fun and contributing bringing families and the community into our school feels good!

We would like the PTA to contribute to the organisation of our current regular fundraising activities of Discos, Family Fun Run and raffles, and perhaps also to help us come up with creative ideas such as a Christmas shop, school fayre and family social events. We seek to gain enough support to re-register as a charity and run with a Chair, Vice-Chair, Treasurer and Secretary - could one of these roles be for you or would you be prepared to share them with another volunteer? Would you like to be part of the committee or an ordinary member? We know your time is precious and our staff will do all we can to support your ideas and efforts too. Please contact us at school on 01905 773362 or email us at office@witton.worcs.sch.uk with your interests and contact details, and be part of an exciting, brand new 'Friends of Witton' PTA, in 2019! Many thanks from us all.
