

English

This term we will be learning about language through our writing and performing of **War poetry**, whilst developing our empathy.

We will also go on to learn about **Shakespeare** and in particular reading from the play **Romeo and Juliet**. We will use this topic to create leaflets, character descriptions and newspaper reports.

Art

Children will be exploring techniques of still life to create their own still life drawing using a range of pencil grades.

Design and Technology

Children will be refining their understanding of what engineers do and undertaking construction projects using CAD

Maths

This term we will be learning about: fractions, decimals, percentages, statistics and geometry

We will be practising:

Our calculation skills, reasoning and problem solving in these areas of maths.

Key skills:

Using our addition, subtraction, multiplication and division facts and calculations.

Personal, Social & Health Education

We will be focusing on Dreams and Goals: We will be recognising strengths and setting personal targets.

Year 7

Topic Map

Spring 2019

Ethics and world religions

We will be researching charity in different religions and considering its role as an act of worship.

Computing

This term, we will be programming and coding using microbits and 'Phython'.

Science

We will be learning about forces. We will investigate friction, Hooke's law, speed and moments

PE

This term we will be focusing on six activities (dance, basketball, hockey, indoor athletics, rugby and fitness)

Music

Pachelbel's Canon

Pupils will learn about the Baroque period, and learn how to play 'Canon in D Major'. They will then use it as a basis for their own arrangement.

Modern Foreign Languages

Exploring directions, places, buying things and transport.

History/Geography

This term we will be learning about India. Immersing ourselves in the culture, food, diversity and religion. We will look at physical and human features including Indian topography, the monsoon and the quality of life. We will develop our skills in interpreting and creating graphs and write persuasively.
