Dear Parents, Carers and Pupils,

I am writing to let you know that I have resigned my post as Headteacher of Witton Middle School as from 31st August. I have really enjoyed my time here in particular working with a team of dedicated staff to improve the school for the benefit of our children. Throughout my time here, I have been very fortunate to work with our brilliant teachers and delightful children. It has been a privilege to lead such a wonderful school and I will miss working with such a great group of staff, children and parents/carers. From a distance, I will be keeping a watchful eye on Witton and am certain that it will continue to be an amazing place to learn.

I have always enjoyed coming to work and there is not a day goes past when I do not get to see the talents, skills and enthusiasm of our children. It is watching young people growing and developing, achieving their potential, realising their ambitions, and becoming responsible, that drives every teacher and it has been a great pleasure to contribute to making this happen for so many Witton children. The decision to leave has been a difficult one because for the last six years it has felt so much like my home. However, I feel that this is the right time for a move for my family and I am looking forward to taking on a new position.

The Chair of Governors will write to you shortly to outline the process which is currently underway to select a new Headteacher for the school.

We have a great deal to do over the next term to ensure that our current children continue to achieve. I can assure you that we are all completely engaged on making this happen and, whilst a change of Headteacher can be unsettling, we will be focussed on ensuring that we continue to provide the high standard of education that you expect from us. I continue to look forward to working together over the remaining term and will strive to make it a successful one. I would like to take this opportunity to thank you for your ongoing support.

Yours sincerely,

Cath Crossley  
Headteacher
