5<sup>th</sup> June 2019

Dear Parents/Carers,

At Witton Middle School we consistently aim to provide high quality learning experiences across the curriculum. This includes a wide range of sporting opportunities, exceptional facilities in science and many interesting art and technology approaches. It is our hope that we will be able to continue to do this, but one area in which we often seek your help has always been the Design and Technology department.

During this half term Year 5 will be cooking every two weeks. We have decided that we will purchase the core ingredients for each recipe therefore could you please send in a contribution of £3.00 to cover the cost of these ingredients. However, we ask that you provide additional ingredients to add flavour to the dishes we cook as detailed below.

On the following sessions, the additional ingredients will be required:

Cooking session 1: Scones- herbs or cheese;

Cooking session 2: Pizzas – tomato, mushroom, ½ onion, cheese (mozzarella or cheddar), herbs, cooked meats;

Cooking session 3: Cheese straws – none required.

Your support is very much appreciated. We will continue to offer the very best experiences we can to the children of Witton Middle School. Please complete the slip below and return it to school, with contributions placed in a sealed envelope detailing your child's name and marked 'DT'.

Yours sincerely,

Jo Bradburn  
Year 5 Team Leader
